st^Ands for ..

- OS** Open Source
- MP** Marketing Professionals
- A** Association

sh^All be ..

- The one global organization for all you OSMPs out there.
- And of course open for the rest of the world interested in open source marketing.

has gathered a small “^A-team” ..

consisting of a couple of OSMPs from Europe and the U.S. who had the idea and spent a little time writing down how they think OSMPA could be jumpstarted in a [Go***-Group](#).

w^Ants you ..

yes we want **YOU!** to join in as professionals or even organizations, educators, sponsors. Or simply to associate yourself as “friends & folks” helping us to spread the word. And we want all of you to make the world a better place by showing it how to communicate the open way.

So if you **like the basic idea**, simply send us an email to

[info \(at\) osmpa \(dot\) org](mailto:info@osmpa.org)

that contains all of the following information:

1. **who** you are,
 2. **how** you intend to **contribute** to the project,
 3. your **contact information**
- and
4. **a short confirmation** that it is fine for you if OSMPA publishes the provided information on the web.

see y’^All soon!
